2019 Best Dressed Family

What is the Splash-n-Dash?

The Splash-n-Dash is held annually on the 4th of July, a fun, community athletic event that is comprised of teams of four, three, or two person teams who each do one leg of the race or one person doing all four stages. The legs consist of a swim in the Prineville Swimming Pool, a bike ride through the south side of town, a boat race (canoe or kayak) down the Crooked River to the library and a run through town that ends at the finish line in Ochoco Creek. The team categories include business, family, high school, female, male or co-ed. Individuals can compete in the entire race if they wish. There is a race for everyone from the Splash n Dash to the Triathlon, Duathlon, and again this year to honor John with John marsh 5K run. This year we are adding the mini dash for the kids and a Try a Tri race for those that want to participate but not a full distance.

The Splash-n-Dash is a growing tradition in Prineville. In 2019 we had a record-breaking 170 participants, another 40 volunteers and last year I am so proud to say that we were one of the 1st races

back in central Oregon, numbers were down but we SURVIVED. This year WE ARE BACK! The Splash n Dash is a fundraiser for the CC track and field program. This year we have 3 different types of sponsorship t-shirt, finish line sponsors and Mini Dash Kids Race. All 3 are listed below.
